- *Private rooms are not a guarantee or a requirement. We try to place all our families in a private setting but Due to our wonderful "no minimal" policy we place you in the best most comfortable area. This is based on the estimated count provided that morning by the funeral director. So luncheons might be placed in either our village side or our main dinning room based on count that day.*
- *For vegetarians or other health related diets, we welcome those few to select off our dinner menu.*
- *3 hour limit on all parties.*
